

**Summer has arrived or so we are told...**

### Your Club....

Many varied parties and entertainment already booked for 2018. Keep an eye open on our web site and Facebook. Much is also published which you'll find on most tables as well as on our notice boards and even by emails to those that have supplied their latest email addresses.

A big "Thank You" to all our hard working staff. A sterling effort from those behind the bars and the kitchen. The dedication goes a long way in making our Club the success it is.

The committee is keen to hear from anyone who might be interested in joining the committee and willing to help in some of the activities we organize. Please contact the secretary directly or by email.

The bookings of events and parties can be done in person or by email to :-
